# High Fidelity Prototypes

By Group 16

The background features abstract, wavy shapes in a light pink color on the top left and a teal color on the bottom right, set against a light cream background.

**Hello, TAs! We are  
Group 16!**

# Introduction

Hello everyone!

The Objective of today's presentation is to produce a high-fidelity prototype that displays the content, visual design, and the interaction elements of technology.

# **Setting up account**

- **The first page is the Welcome Page. On Dragging(from right to left) or clicking on the dots Plus points of Helping Hand can be seen.**
- **Click Sign In for Old Users otherwise click on Sign up.**

# **Receiver Prototype**

- On Sign In Interface click on Sign In to proceed.
- On Sign Up option click on Sign Up .
- On receiver Dashboard choose what task to perform(slide from left for task bar).
- Choose Signature to provide or view exiting signature.
- Choose Documents to upload required Documents for processing.
- Click on avatar to upload profile picture and set up profile as a donator perspective.
- Click country box to select country.
- Choose from College or School and fulfill necessary requirements.

# **Donator Prototype**

- **On Sign Interface click on (Choose User type as Donor to sign in into Donor portal).**
- **Click on Sign In.**
- **Choose any one from the list of receivers(by clicking on the arrow to open profile(Can also use filter by age option)).**
- **Click on Proceed If want to continue or click back to see other users.**
- **After Payment click on proceed.**
- **On Dashboard Receipt of previous donations and other details Click on Donate more for more donations.**

# Brand Image For Helping Hand

THANKYOU

# **Divyanshu's Contribution:**

**Contributed to the preparation of UI including country selection, receiver list, profile of receivers whom donor would select, filter by age, donor payment portal and their prototyping linking.**

## **Utkarsh's Contribution:**

**Contributed to the preparation of UI including Receiver dashboard with features like chat with donator, recommendation for NGOs. Donator's dashboard with payment records, receipt of donations.**

# **Sahil's Contribution:**

**Together with Lakshay contributed in the preparation of UI including Sign In, Sign Up, entire Receiver Interface including Signature Screen, Document Updation, Dashboard, Profile Setup , and demand section and their prototyping linking.**

# **Lakshay's Contribution:**

**Together with Sahil contributed in the preparation of UI including Sign In, Sign Up, entire Receiver Interface including Signature Screen, Document Updation, Dashboard, Profile Setup , and demand section and their prototyping linking.**

# **Nitesh's Contribution:**

**Did not contribute**
